Journal:

On the next page, draw something ordinary on your paper that you use every day—such as a spoon, a pencil, or a toothbrush. Now think of two or more ways you can use that item in a way that's different from what it's normally used for. For example, a spoon could help build a sandcastle. A toothbrush can scratch your back.

What are some reasons Jesus might work with ordinary people and things when He does miracles?

What's one ordinary thing about you that God could use in big ways?

Can you solve the puzzle?

Jesus used five small barley
 loaves and two small fish
 to feed over 5,000
 people. What
 a wonderful
 miracle
 this was!
 Afterward,
 Jesus told his
 disciples to gather
 up what was left.
 He wanted nothing
 to be wasted. What
 miraculous sign
 happened then?

And everyone who is here will know it. The battle
