

MDPC ATHLETIC PROGRAM PHILOSOPHY

MDPC Sports Ministry exists as a center of activity where we experience and share the love of Christ through Christian fellowship and quality recreational sports activities. Through these activities, the physical and spiritual needs of children and adults are served, and, through special outreach efforts, we show Christ to the greater community.

MDPC coaches provide children with the knowledge and support necessary to become team players and learn the valuable lesson of sportsmanship. Emphasis is placed on developing skills and participation. MDPC will set a good example of sportsmanship for the league.
