Summer School

On March 13th, registration will open for new and current families for the summer session. June will be a four-week session (Tuesday, Wednesday and Thursday). There will be no July session this summer as our enrollment last July was very low. There is no charge for registration for the summer for current families. The hours will be the same 9 – 2:30 – carline at 8:45 and 2:30. Extended Day will be available until 3:30. Please sign up for Extended Day in advance if you can!

Kindergarten

Our field trip this month is Main Street Theater to see “The Musical Adventures of Flat Stanley”! The Rodeo Parade was so much fun and our children said the Pledge of Allegiance and sang as well. The children have been showing all of the classes their 100 day projects (they are so proud!) and explaining what they did to make them.

Chapel Chat

During the month of March, we'll hear stories of faith and grace. From stories of when people had to be faithful during sad and difficult times to Jesus helping us understand the importance of listening and showing grace. Our memory verse, “God loves me” John 15:9 will be the foundation of our stories, as a reminder of the friendship and journey of faith we can build with God.

Spanish with Mrs. Chacon

We will be talking about days of the week and body parts during the month of March. It is a pleasure teaching your children! They love Spanish and make teaching fun!

Placement is now complete for next fall. I am sending home packets with paperwork now! Summer placement will be completed over Spring Break.
