### Yoga!!!

During the month of June, instead of our regular Music and Movement Class that we have during the school year, we will have yoga on Wednesdays! The children enjoyed the first class this week (as did the teachers) – be sure to ask them about their yoga moves!

### Reminder

Program fees for next fall are due now (as is paperwork)!

### Kindergarten

Once again, we are reviewing our skills from the school year with fun workbooks! We are also incorporating a fun curriculum (Mind Up) which is designed to help students focus their attention, improve self-regulation skills, build resilience to stress and develop a positive mind-set in both school and life.

### Pre-K News

# HELLO SUMMER

We are also reviewing our skills from the school year so that we keep them fresh for next year!

We will also be using the Mind Up curriculum for our children as well – this will go hand-in-hand with yoga! So much fun!

### Splash Days

Thursdays in June and Wednesdays in July are Splash Days! For those of you new to our program, this consists of shaving cream, sprinklers and ice pops. Each classroom has their splash time at their regularly scheduled playground time. The children will need to wear bathing suits (pack a towel) and shoes that can get wet (pack a change of clothes and shoes) If you would like for your child to wear sunscreen, you will need to apply it in the morning. Please let me know if you have any questions!
